TUMAINI UNIVERSITY MAKUMIRA CALENDAR	209

MESSAGE FROM THE VICE CHANCELLOR

Tumaini University Makumira (TUMA) maintains its vision of being a Christ-centred university for quality learning, research and community outreach for local and global social and economic needs. With its experience of providing university education for more than 70 years, TUMA aspires to improve its existing programmes to ensure quality in teaching, research and consultancy.

With its facilities able to accommodate more than 7000 students, TUMA aims to invest heavily in academic activities. It will promote its existing staff in academic excellence and recruit new competent academic staff for the planned programmes, especially in teaching science. In addition, TUMA intends to improve its ICT facilities to accommodate online teaching and other related modes of teaching.

Furthermore, TUMA aspires to expand consultancy activities to contribute to the needs of communities. At the same time, this exercise will improve learning outcomes to be problem-solving. When graduates leave the university, they already can contribute to their respective local and international communities.

TUMA will also continue to maintain quality of teaching, learning and research through proper use of its policies and tools. The implementation of these goals rests on active and innovative participation of teachers, students and support staff.

For more information, I urge you to visit our website to discover who we are and make TUMA your favourite choice of study and professional growth.

Rev. Prof. Dr. Joseph W. Parsalaw
Vice Chancellor - Tumaini University Makumira

1.0 VISION, MISSION, OBJECTIVES AND STRATEGIES

1.1 The Vision of the University

A Christ-centred Higher Education Institution for excellence and hope.

1.2 The Mission of the University

A Christ-centred University education by focusing all its programmes through the guidance of and obedience to the Word of God and conducting higher education, learning and research through scientific fact-finding and enquiries to all students without discrimination.

1.3 The Objectives of the University

- To serve the Church and the society through educating competent, upright and committed professionals.
- To engage the TUMA's faculties, departments and students in studies of higher learning committed to the pursuit of truth through scientific research.
- To educate present and future leaders called and sent to serve the whole human being and the community.
- To encourage and support students who are preparing for specialised education and ministries with more emphasis on education to people with disabilities, the youth, etc.
- To engage in research in all disciplines, especially research on African heritage that will enhance the development of Africa (Tanzania) and its people.
- To conduct short-term training in different areas related to various disciplines provided at TUMA.
- To engage in outreach programmes in order to bridge theory and praxis to ascertain professional competence in the fields offered by TUMA.
- To make university education available to all people without any discrimination with regard to nationality, ethnic identity, gender, social or economic status or religious belief.

1.4 Strategies of the University

- TUMA will pursue its mission as a University.
- TUMA policies will be determined by the Council. Academic policies will be determined by the University Senate.
- Within its self-understanding as Tumaini University Makumira, TUMA will seek to maintain administrative and financial autonomy as well as academic freedom as stipulated in its Charter so that its mission as an academic institution might effectively be fulfilled.
- TUMA will seek to attract faculty members' excellence and good performance through provision of good working environment including high standard of housing, salary, library, lecture rooms and other campus facilities.
- TUMA will encourage its academic members to contribute to, and grow in competence in their disciplines through research, publications and involvement in professional organizations, conferences, and outreach programmes.
- TUMA will for benchmarking purposes seek to establish and maintain relationships with other institutions of higher learning that share similar academic objectives, within Tanzania as well as throughout the rest of Africa and the World.
- TUMA will establish and maintain standards of excellence by means of continual peer and self-evaluation, research, professional outreach programmes, seeking and maintaining accreditation from national and international accrediting agencies.

1.5 Core Values of the University

Tumaini University Makumira cherishes the following core values:

- Love
- Integrity
- Honesty
- Accountability
- Diligence
- Stewardship

2.0 HISTORICAL BACKGROUND

Tumaini University Makumira is an institution founded by the Evangelical Lutheran Church in Tanzania since 1947. In 1954 it was established as a Lutheran Theological College Makumira (LTCM). The college offered theological certificates, diploma, and bachelor of divinity degrees. In 1997 the college was accredited by The Higher Education Accreditation Council (HEAC) under the Education Act of 1995 to include other discipline as a constituent college of the then Tumiani University, and became known as the Makumira University College (MUCo). In 2011 MUCo was given a fully-fledged status as Tumaini University Makumira (TUMA) by the Tanzania Commission for Universities (TCU) established under the Universities Act, 2005, and received its Charter on 2nd August, 2012.

The university as the main campus has the following constituent colleges:

- Kilimanjaro Christian Medical University College (KCMUCo)
- Tumaini University Dar es Salaam University College (TUDARCo).
- Stephano Moshi Memorial University College (SMMUCo).

TUMA main campus has three Faculties, namely, Faculty of Theology, Faculty of Law and Faculty of Education Humanities and Science. Programmes offered at TUMA are listed in respective Faculties in this Prospectus.

TUMA also runs outreach programmes. TUMA is implementing Participatory Integrated Teaching Approach (PITA) under Faculty of Education, Humanities and Science. This project aims at using learner-centred participatory teaching approach in humanities, integrating cross cutting issues such as environment, HIV/AIDS prevention, and gender justice, and equipping teachers with competence to deal with learning disabilities.

3.0 STUDENTS' LIFE

3.1 Students' Government

There is a Tumaini University Makumira Students' Organization (TUMASO), which promotes and safeguards the interests of all students. This organ is the major link between the University Administration and the students. Leadership of TUMASO includes the President, Vice-President, Minister, Ministers and Deputy Ministers.

There is also a Students' Parliament (*Bunge*) with an elected Speaker, Deputy Speaker and Secretary to the Parliament.

3.2 University Hostels

The University has enough number of rooms on campus. Priority for residence on campus shall be given to students with disabilities, female students and first year students, depending on the availability of rooms.

The Students' By Laws prohibits cooking in the dormitories or elsewhere on campus. Individuals found cooking on campus are subject to disciplinary action and compensation if found with the offence according to the Students' by Laws.

3.3 Family Housing

Family housing on campus is limited. These houses are earmarked for married theological students who are indeed in need of the accommodation on campus.

3.4 Health Insurance

A student registered at TUMA must have valid Health Insurance from a recognized insurance. A student without Health Insurance shall apply and pay to the National Health Insurance Fund as provided in the registration requirements. Having a valid Health Insurance as a student of Tumaini University Makumira is mandatory.

For continuing students to another new academic year, they must have valid Insurance verified by the Dean of Students and Finance Department.

For postgraduate students without Health Insurance must join and pay for their Health Insurance to recognized Health Insurance. For further information see university Fee Structures.

3.5 Code of Conduct

As members of an academic community, students assume rights and responsibilities which reflect the Mission and Core Values of Tumaini University Makumira. Students should bear responsibility to preserve a amenable learning environment by avoiding behaviour that interferes or threatens the welfare of others or the University community. Such behaviour to be avoided includes but not limited to:

- **Indecent Dressing**, such as ripped, torn, excessively wrinkled, loose fitting, excessively short, tight, transparent, and containing offensive language or artwork.
- **Abusive language, and related offences**
- **Taking drugs and alcohol**

This is also well stipulated in the University Staff Regulations and Conditions of Service Part III 1-2, 4 and Students' By-laws Part III Section 5, (iv), (ix), (xx).

3.6 TUMACHaplaincy

TUMA Chaplaincy aims at preaching the Word of God, administering the Sacraments, and is concerned with the spiritual life of the whole community of Tumaini University Makumira as stipulated in the TUMA Chaplaincy Constitution. TUMA Chaplaincy does and fulfils its responsibilities under the Administration of the University.

The objectives of the chaplaincy are:

- To provide the TUMA community with opportunity to know Jesus as their Saviour, through the Word of God and the Sacraments.
- To encourage relationship, faith, love, hope and service within the company of the TUMA community.
- To proclaim the gospel to all in words and deeds.
- To work with the Administration on issues related to spiritual life of TUMA community.

It is expected that all Christian students attend morning devotions, Sunday services and other services organized by the chapel. For members of the Faculty of Theology and theological students, attending

morning devotions and Sunday/Festival services is mandatory.

Chaplaincy Officers

The Chaplain is appointed by the Vice-Chancellor among ordained members of the Faculty of Theology from ELCT, and he or she shall carry a reduced teaching load. The chaplain is the chief officer of the chaplaincy and shall:

- Be installed into office by the Vice-Chancellor of the University.
- Supervise the teaching of the chaplaincy so that it is compatible with the foundation of faith and intention as explained in the Constitution of the Chaplaincy.
- Participate in preaching, administering sacraments, and teaching, counselling and caring for members of TUMA community.
- Supervise the stewardship of the property and monies of the Chaplaincy, together with the relevant committees.
- Oversee the election of the Council and the various working committees of the Chaplaincy.
- Prepare the agendas, call, and chair the meetings of the Chaplaincy and the council.
- Implement the resolutions of these meetings through the working committees.
- Be a member of all committees and advise all committees in their responsibilities.
- Be the advisor of the University Students' Christian Fellowship (USCF) of which its leadership is constituted in the USCF Constitution. Leaders of USCF must be elected from among students from the Christian Council of Tanzania member churches.
- Be one of the signatories on financial transactions of the Chaplaincy along with the Bursar of the University.
- Coordinate worship planning of all services of the Chaplaincy.

Office Manager

The Office Manager is responsible for organization of the office and supervision of all TUMA Chaplaincy programmes and activities. The Office Manager is directly responsible to the Chaplain.

The Treasurer

The Treasurer is normally the Assistant Bursar of the University as

determined by the General Assembly of the Chaplaincy.

Secretary

The secretary is elected by the General Assembly of the Chaplaincy among ELCT theological students who are not finalists or going for internship, and should have good moral and academic records.

3.7 Dispensary

The Tumaini University Makumira Dispensary is a registered entity under the Ministry of Health, Community Development, Gender, Elderly, and Children with registration No: 0222225, and its library registered as PAL-C/ARU/ATT/023. TUMA Dispensary is also accredited by Nation Health Insurance Fund (NHIF) to offer services to its beneficiaries. Clients without NHIF valid cards pay fees for medical services directly at the Dispensary.

TUMA Dispensary is offering outpatient and laboratory services to staff, students and university neighbouring community members. It provides its service from Monday to Friday from 8.00 am to 5 pm. During weekends and public holidays the Medical Officer in charge is available at his residence inside the campus of the university.

4.0 ICT DEPARTMENT SERVICES

Tumaini University Makumira has a well established Information and Communication Technology Department. This department provides academic and administrative services at the University.

The Department manages Information Communication Technology and its related services. This department is also responsible for management of Online Student Information Management (OSIM). This System provides services for admissions and registration, academic management services and bursary services.

4.1 Academic Services

For a successful use of these online systems students:

- All students registered at Tumaini University Makumira must have an account in the system and must make sure that their information required by the systems is correct.
- Students shall be responsible to register their core and elective courses in each semester. Failure to register courses at the dates of registration will mean a student has not registered and therefore he or she will not be eligible for doing examinations offered for those particular courses in that semester. Registration later than the set time will be done after paying a penalty of TSh 50,000.00 (see also academic policies below).
- Lecturers shall upload the Course Work (CW) and University Examinations into OSIM systems in the specified deadlines by the Deputy Vice Chancellor for Academic Affairs.
- Students having problems with their results, e.g. Course Work (CW) or University Examinations (UE) they must consult their instructors. ITC Department is not responsible for uploading results of students into OSIM.

4.2 ICT Finance Services

The OSIM systems managed by ICT are also linked to the Finance Department of Tumaini University Makumira. A student shall view fee balances in his or her OSIM accounts. A student is supposed to bring all problems related to fee balances the Accounts Department.

4.3 Identity Cards for Students

The University issues Identity Cards to new students during registration. The Identity Card is issued once. Therefore, a student is supposed to keep his or her Identity Card until he completes studies at TUMA.

For any student who loses or destroys his or her ID is issued with new Identity Card provided that the police loss report is provided for lost ID and a payment of TSh 30,000.00 is made and approved by the Accounts

Department. The documents together with the destroyed ID should be brought to the Dean of Students for verification.

The Dean of Students of students will forward the list of students who apply for new IDs with all necessary information to the Deputy Vice Chancellor for Administration for final approval. The DVCA will request the ICT Department to print new IDs if the conditions and requirements are fulfilled.

4.4 CCTV Cameras

Tumaini University Makumira has installed CCTV Cameras in security strategic areas and in examinations Rooms and Halls. The Library has CCTV Cameras and Library Security Gates. The CCTV Cameras in examinations rooms and halls are linked to monitoring screens to assist provide evidences for invigilators who discover irregularities during examinations.

4.5 Laboratories

TUMA has computer laboratories that are controlled by the ICT Department. In addition TUMA has The labs are used for lecturing and practicals related to Information and Communication Technology. The computers are also used by students to access e-resources linked to TUMA library

The ICT supervise the uses of these labs and provide personnel and support to students and lecturers on the use of the facilities.

4.6 Internet Services

All TUMA staff and students are allowed to access authorized materials and web pages using wireless and cable connection. They all are provided with usernames and passwords related to usernames to get access to the internet.

5.0 TUMA OUTREACH PROGRAMMES

5.1 PITA Project

Participatory and Integrative Teaching Approach Project (PITA) is an

outreach programme of Tumaini University Makumira (TUMA), Faculty of Education, Humanities, and Science (FEHS). The name PITA is an abbreviation of the English name of the project, namely ***Participatory and Integrative Teaching Approach***. The word *-pita* is found in Swahili language as well. The Swahili verb *pita* means to go ahead, pass. When students have passed their exams ***wamepita!***

The long term aim of PITA project is to provide young people in Tanzania with equal access to quality secondary education in a safe and protective environment.

In 2022 – 2025 PITA project focuses on the following three thematic areas of pedagogy:

- a) participatory language supportive pedagogy,
- b) gender responsive pedagogy, and
- c) multidisciplinary approach in environmental education.

PITA project aims at promoting the following aspects of teacher education:

1. in-service education of secondary school teachers working in disadvantaged secondary schools in Meru District Council;
2. strengthened research capacity of TUMA teacher education programmes; and
3. advocacy for a stronger focus on pedagogical competences in teacher education in Tanzania.

The beneficiaries of the project are the students of the selected PITA project schools in Meru District Council, and their parents.

5.2 Cultural Arts Centre (CAC)

The Cultural Arts Centre of Tumaini University Makumira is a thriving hub for music, dance, theatre, film and radio located on 5.5 hectares behind Tumaini University Makumira near Makumira Secondary School, Arusha. The primary focus of the centre is to provide music and arts training, educational and performance opportunities for Tanzanians and international community.

The Cultural Arts Centre started in 2014 as a project of TUMA with a large funding from the European Development Fund (EDF) and

donations from the United States' citizens and institutions. Facilities include 4 buildings; a 435-seat performance hall, conference hall, "drum administrative building" (with instrument exhibits, music library, offices and dance studio), a 50 seat - conference building with kitchen and washrooms, 6 traditional bomas, an outdoor kitchen and seating area and outdoor stage.

CAC is linked to the Faculty of Education, Humanities and Science through Department of Humanities and Social Sciences as a centre for music programmes.

CAC is also well known for its numerous performances on and off campus for public and private functions, at local, national and international conferences, festivals, and special events. Performers draw on their various ethnic backgrounds, training, and experiences to create high-energy performances that feature many different types of music and dance from Tanzania, including traditional dances, newly created dances, and music pieces that fuse traditional and modern ideas. Performances at the centre are advertised worldwide, and students and staff can attend in a reduced entry fee.

6.0 THE LIBRARY

Tumaini University Makumira (TUMA) IS one of the oldest libraries in East and Central Africa, stretching back to 1947 when the university started as a college for training theologians. It is situated in a very tranquil location on the Southern slopes of Mount Meru and the snow-capped Mount Kilimanjaro is visible within the vicinity, except on the cloudy days.

TUMA Library is a full automated library with automated search systems for printed and non-printed collections and it is divided into three parts; Main Library, Mini Library and Cultural Arts Centre (CAC) Library (see description of CAC). The library provides *Users Services*, *Reference Services*, *User Training Services*, *Borrowing/Lending Services* and *Internet Services*.

The Library collection is geared primarily towards providing materials for students and staff and for documentation services to support the teaching and research activities. The Library has 200,000 volumes of printed books, 70 printed journals and 25 Databases for full text e-books and e-journals available in the Website: <http://www.makumira.ac.tz/index.php/e-resources>.

The Library is also linked with a number of library bodies. It is a member of Tanzania Library Services Association (TLA) and Consortium of Tanzania University and Research Libraries (COTUL).

The TUMA library is unique in a number of ways: for instance it houses, *inter alia*, 19th and early 20th historical documents for African and Tanzania churches and societies in particular in its Archival Directorate. Researchers from Africa, Europe, the Middle East and America have made extensive use of the TUMA archives, especially on social and anthropological studies.

7.0 GENERAL ACADEMIC POLICIES

7.1 Terms of Admission

A candidate is admitted to Tumaini University Makumira on the understanding that in accepting the admission he/she commits him/herself to adhere to its charter, statutes, ordinances, regulations, rules, and by-laws. Tumaini University Makumira is a Christ-centred institution of higher learning and expects students' behaviour, both on and off campus, to be moral, ethical, and legal. The University reserves the right to withdraw admission for conduct that is contrary to the objectives of the University.

7.2 Registration Procedures for all students

- Registration for new students is done two days before the beginning of the classes of the respective semester session.
- It is mandatory for all continuing students to register in their respective faculties two days before or after the commencement of classes.
- No registration shall be done after **two weeks** of classes of the respective semester.
- No student shall be allowed to register or attend classes at TUMA unless required fees have been paid and required certificates have been submitted.
- Late registration is done between 2:30 a.m. to 4:30 p.m. during the first two weeks of classes of the respective semester session and there will be a late registration fee of Tshs 10,000.
- Medical Insurance is mandatory at TUMA and is a requirement for registration. Students who have no valid medical insurance or restricted areas/councils insurances should pay medical insurance fee of Tshs 50,400.00 per semester (this may change depending on the required fees from National Health Insurance Fund).

NB: Foreign students should secure student residence permit before they can join Tumaini University Makumira.

7.3 Registration of Courses and Class Schedule

Core and Elective Courses

A *core* course is one which must be registered for and passed by a

student in order to obtain a degree. A student must take all **core** courses prescribed in their programmes.

An *elective* course is one, which may be taken to make up the minimum credit requirements of the programme. Elective courses will be graded in the same manner as the core courses.

Cross Faculty Course Registration

Any student wishing to take a course outside of those required for their programme must obtain a written consent of the Dean of the Faculty hosting the desired course in consultation with the Dean of the Faculty from which the student is enrolled and the DVCAA's office. Classes outside of the student's major department will count toward their total credit hours, but will not replace compulsory courses required for their programme. Cross faculty courses exceeding the number of required credits in the programme of study shall be paid for before registration at the rate of Tshs 50,000 per course.

English Language

With the exception of courses offered in Swahili, it is imperative that students are proficient in reading, writing, and speaking English language.

Daily Class Schedule

Classes meet from 8 a.m. to 8 p.m. Evening classes are scheduled to begin at 3.30 p.m.

7.4 Registration of Courses in OSIM

Registration into Online Student Information Management (OSIM) is mandatory. Students who fail to register into OSIM as soon as classes start, shall pay a penalty of TZS 50,000 after the announced deadline for registration has elapsed.

7.5 Academic Integrity

The academic community of Tumaini University Makumira believes that one of the goals of a Christian institution of higher education is to strengthen academic integrity and responsibility among its members. To this end, the University emphasizes the importance of sound

judgment and personal sense of responsibility in each student. All members of the academic community are expected to respect the highest standards of academic integrity.

7.6 Academic Dishonesty

Academic dishonesty is a serious offence at Tumaini University Makumira because it undermines the bonds of trust and personal responsibility between and among students and faculty, weakens the credibility of the academic enterprise, and defrauds those who believe in the value of integrity of the awards.

Academic dishonesty can take several forms such as:

- Cheating – intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise (test, exercise, etc).
- Fabrication – intentional and unauthorized falsification or invention of any information or citation in an academic exercise.
- Facilitating academic dishonesty – intentionally or knowingly helping or attempting to help another student commit a breach of academic integrity.
- Plagiarism – representing the words or ideas of another as one’s own in any academic exercise.

A student who commits an act of academic dishonesty shall face disciplinary action ranging from failure to receive credit on an academic exercise to dismissal from the University.

7.7 Promotion to the Next Semester and Academic Year

- A candidate who fails in less than 50% of the prescribed courses shall be allowed to sit for supplementary examinations in the failed courses.
- A candidate who fails in 50% or more of the prescribed courses and obtains a GPA of less than 2.0 in either semester shall be allowed to sit for supplementary examinations or shall repeat the failed course(s) when next offered or shall repeat a year. Each repeated course shall cost Tshs. 215,000.00.
- A candidate who fails supplementary examination(s) with exception of NACTE Programmes shall be allowed to proceed to the next year

of study provided s/he has a GPA of 2.0 or higher. **This rule applies only to first and second year students.** Such candidate shall repeat failed course(s) during that academic year and sit for the examinations when they are next scheduled. Repeating course shall include repeating the course work. Each repeated course shall be paid for.

- Candidates passing supplementary examinations shall be awarded a C grade in those courses. However, a student can opt for a repeat course and meet the due costs.
- Candidates passing repeated courses shall be awarded grades according to the normal performance grading procedure.
- Candidates failing supplemented/repeated courses shall repeat such courses when next offered.

7.8 Repeat Course(s) and Promotion to the Final Year

- A student should be allowed to repeat course(s) once only. If a student has twice failed the repeated course(s) she/he will be discontinued from studies.
- For first and second years, a student should not have more than 3 repeat courses. A student in this category with more than 3 repeat courses shall repeat a year.
- A student shall not be promoted to the final year if she/he has more than two repeat courses. The student in this category shall repeat a year.

7.9 Termination from Studies

Students will terminate or be terminated from studies by the University as a result of the following:

- Failure to attend scheduled examination, unless caused by extenuating circumstances.
- Examination irregularities.
- Failure to pay student fees, deposits, and charges.
- Disciplinary offence as described in the “Tumaini University Makumira Students By-Laws”

- Ill health if recommended by a recognized medical practitioner.

Students who have terminated or have been terminated from studies on the grounds of attendance, examination irregularities, and ill health may reapply to the programme only if:

- At least one academic year has passed since their dismissal, and
- Improved health condition as approved by the recognized medical practitioner

However, this does not apply to criminal offences.

7.10 Progress Reports and Transcripts

Progress reports are available from Deputy Vice Chancellor Academic Affairs upon request by the student. Final year students must have fully paid fees, deposits, and any outstanding charges in order to receive a progress report. A progress report is not an interim grade report. It is a qualitative report issued by DVCAA.

A transcript will be available after the completion of the academic programme. Students must have fully paid fees, deposits, and any outstanding charges in order to receive a transcript. Where other individuals or organizations may require transcript, it can only be sent if requested by the student.

Students are required to pay Tshs 10,000.00 after the request has been approved by DVCAA and will be issued Progress reports or Transcripts upon presentation of payment receipt.

7.11 Graduation Requirements

- Students shall meet all requirements as specified by the Faculty of the programme to which they have been admitted.
- Students must have paid all fees, deposits, and any outstanding charges.

7.12 Policy Governing Loss of Certificate

In case of loss or total or partial destruction of the original certificate or a copy thereof, the University (Office of the DVCAA or such other office as the DVCAA may authorize in writing) may issue another copy

on condition that;

- The applicant produces a sworn affidavit and Police Report.
- The certificate so issued shall be marked COPY across it and shall be issued only once.
- The replacement certificate will not be issued until the period of 12 months from the date of such loss has elapsed; except that such replacement may be issued within a shorter period where there has been partial destruction of the original certificate or of a copy thereof;
- The applicant must produce evidence that the loss has been adequately publicly announced (cuttings from two widely circulated News Papers) with a view to its recovery in an officially recognized form or manner in the applicant's home country or where the loss is believed to have taken place;
- A fee of TShs. 100,000.00 in respect of Tanzania student or USD 50.00 in respect of foreign students, or such other fee as may be prescribed from time to time by the University, shall be charged for the copy of certificate issued.

7.13 General Examination Regulations

Final examinations are controlled by the Deputy Vice Chancellor Academics, and are normally scheduled during the sixteenth and seventeenth weeks of each semester. Final examinations normally account for 60% of the final course grade.

7.14 Course Assessment

Each course consists of 100% in order to obtain the required credits. A student must pass both course work and final examinations with a minimum of 40%, i.e. 16% course work and 24% University examinations. Course work weighs 40% and End of Semester Examination carries 60%.

7.15 Eligibility for Examinations

- Attendance:
 - ◇ Students must have attended at least 80% of the scheduled semester class periods for each course and have completed all course requirements.

- ◇ Students must not have missed more than 10 consecutive days of class.
- A student must pass the Course Work at the minimum of 16% out of 40% in order to be allowed to sit for University Examination.
- A student must pass the Course Work that accounts 40% of the final course grade.
- A student who wilfully sits final exams without having fulfilled continuous assessment requirements for a course(s) as determined by respective lecturers will repeat such a course(s).
- Full payment of student fees, deposits, and charges as determined by the Finance Department.

7.16 Postponement of Examinations/Studies

The maximum period of Postponement of studies shall take consideration the maximum length of the programme. In the case of bachelors degree, postponement should not exceed two academic years. NTA Level Programmes will follow NACTE regulations.

7.17 Postponement of Examination(s), Courses on Extenuating Circumstances

- A student who postponed examination/s in extenuating circumstance(s) can proceed to the next semester/year only if she/he has cleared the postponed examination(s).
- **OSIM** will prohibit a student(s) to register for the next semester/year until she/he has **cleared the postponed courses**.
- There should be no automatic student's promotion/upgrade to the next programme level.
- **Online** self-registration will be enforced, and will include optional courses. Students must register in every Semester within the first two weeks, otherwise the normal penalty will be imposed
- A student may, in extenuating circumstances approved by the Deputy Vice Chancellor for Academic Affairs, postpone examinations or studies.
- The student shall report the matter in writing to the Deputy Vice Chancellor for Academic Affairs through the Dean of Students and

the Dean of the respective Faculty.

- Unless under extenuating circumstances no postponement of examination shall be entertained two weeks before commencement of examinations.
- Postponement of studies is allowed for a maximum of the period of three years from the time of postponement after which it will be regarded as discontinuation from studies.
- Any postponement of examination(s) for the last academic year students will be regarded as postponement of the studies.

7.18 Special Examinations

A student may sit for examination(s) if the following criteria are met:

- The reason (e.g. illness/accident) is provided and substantiated in writing by a recognized medical practitioner/police officer, and the reason has been approved by the Deputy Vice Chancellor for Academic Affairs.
- When a student is allowed to sit for special examination(s), s/he shall be considered to be attempting the examination for the first time, and shall be accorded all the rights provided for in the examination regulations.
- A special examination fee of Tsh. 50,000.00 shall be assessed for each special examination paper provided to the student. The fee must be paid in advance to the University Account and pay-in-slip be presented to Finance Department.
- No examinations shall be availed to individual students who have absented themselves from examinations without written permission.
- Failure to pay school fees shall not be the reason for the student to be allowed to sit for special examination(s).

7.19 Supplementary Examinations

- Students who fail the first sitting or special examination in the semester must sit for a Supplementary Examination when next offered.
- A supplementary examination fee of Tsh.10, 000.00 per paper shall be assessed for each supplementary examination provided to the student. The fee must be paid in advance to the University Account and pay-in-slip be presented to Finance Department.

- Students who pass the supplementary examination shall be awarded a course grade of “C”.

7.20 Examination Irregularities

Inappropriate conduct by a student concerning semester examinations impairs academic integrity, and will subject the offending student to termination. Such examination irregularities can include, but are not limited to:

- Cheating: Any candidate who will be proven to have cheated, including being involved in plagiarism, in any part of the examination shall be deemed to have failed in the whole examination for the semester.
- Communicating with other students, either verbally or through other means, during the examination without permission from the invigilator.
- Permitting another student to copy from or use one’s paper.
- Obtaining, or endeavouring to obtain, assistance from any other student directly or indirectly or endeavouring to give assistance to any other student.
- Removing examination answer books/sheets from the examination room.
- Continuing the exam after being ordered to stop.
- Failing to comply with any examination rules, regulations, or directions given by an invigilator.
- Destructing, or attempting to destruct, evidence relating to any suspected irregularity.
- Unauthorized absence from examination
- Causing disturbances in or near any examination room
- Possessing unauthorized materials (for example purses, electronic equipment such as cell-phones and pagers) in the examination premises.
- Borrowing or lending materials such as calculators, rulers, correcting fluid, pens, etc, from/to another candidate during examinations.

7.21 Invigilation Action against Irregularities

If an invigilator suspects a student of examination irregularities, the

following steps must be taken:

- The student is approached immediately.
- All improper materials are confiscated and the student is not allowed to continue with the examination.
- The student must submit a written statement to the Deputy Vice Chancellor for Academic immediately after being approached by the Invigilator.
- The Senior Invigilator and The Chief Examination Officer report the irregularity in written form to the Deputy Vice Chancellor for Academic Affairs, who forwards it to the Vice Chancellor.
- The report and the student's statement are considered by the Investigating Committee appointed by the Vice Chancellor.
- If it is established that a student committed an irregularity, the student shall be suspended from the University for not less than one year.

8.3 Payment of Fees, Deposits, and Other Charges

Payment of fees, deposits, and other charges are a contract between the student and the university.

All fees, deposits, and other charges due at each payment instalment must be paid by the date indicated. If any unpaid balance remains after the due date for that instalment, a late payment fee will be assessed.

The student may have an agreement with a sponsor to pay fees and deposits on behalf of the student. However, it is the responsibility of the student to pay all fee deposits in a timely manner.

Only students who have paid their fees, deposits, and other charges can register and attend classes, sit for exams, and graduate from the university.

Failure to pay fees and deposits on a timely basis is a reason to discontinue the student from further studies (including the sitting for final exams), regardless of any agreement between the student and his/her sponsor.

Non-refundable

All university fees and charges are non-refundable, unless specifically stated in the policies that such fee or charge is refundable.

Mandatory payment

All university fees, deposits, and charges are mandatory payments unless specifically stated in the policies that fee, deposit, or other charge is optional.

Information on University Revenue, Expenditures and Budget

Tumaini University Makumira considers information on revenues, expenditures and budgeted and actual costs to be proprietary to the University Council.

Setting of Fees, Deposits, and Other Charges

All University fees, deposits, and other charges are set by the University Council, upon recommendation of University Management and the Council Finance, Planning and Development Committee.

Pending Financial Claims

Financial claims by students or sponsors must be raised on a timely basis. Financial claims from a specific academic year must be raised (in writing to the Bursar) within the first semester of the subsequent academic year, or else any such claim will not be considered.

Changes to Provisions

The University reserves the right to change any fees, deposits, and other charges, or any other provisions of this section on “Fees, Deposit, and Other Charges” without prior notification to the student or their sponsor. Any such changes may have immediate effect.

8.4 Policy on Dormitory and DomitoryFees

The payment of dormitory fees is a contract between the University and student to provide accommodations in exchange for payment of dormitory fees.

These fees are payable in two instalments during the academic year. Cooking is strictly **prohibited** in the dormitories or elsewhere on campus. Individuals found cooking on campus are subject to disciplinary action and compensation if found with the offence.

8.5 Policy on Past Due and Current Due Amounts

A student cannot continue his/her studies if he/she owes the University any balance for a prior semester.

8.6 Policy on Registration

A student cannot register for classes if he/she owes any amount for a prior semester or cannot pay the instalment due for the current semester. Unregistered students that attempt to attend classes, reside in the

dormitories, and/or access any other University services are subject to immediate expulsion from campus and can be deferred or discontinued from their studies. Registration must be completed within the first two weeks of class for a semester, or the student must defer his/her studies until a succeeding semester.

8.7 Cash Payments to Students

The University cannot make cash payments to students if the funds have not yet been received and cleared by the University bank.

8.8 Loans to Students

TUMA policy established by its Financial Regulations prohibits loans to students for any reason.

8.9 Student Allowance

The University **does not provide allowance to students**. The University invoice only covers student fees and required deposits. It DOES NOT cover any of the student's personal expenses such as books/stationery/supplies, personal care items, transportation, and special expenses for studies (special equipment, off-campus studies, and research papers/internships).

8.10 Tuition Fee Refund Policy

Apart from non-refundable fees policy, if a student withdraws from the programme of study for whatever reason, refund of fee will be computed as follows:

Claim by end of 1 st week	100%
Claim by end of 2 nd week	80%
Claim by end of 3 rd week	60%
Claim by end of 4 th week	40%

Claim after the 4th week will not be considered for any refund.

Other Mandatory Fees

Medical Insurance

Students' physical and mental health is prerequisite for students' performance in their daily academic life. It is for this reason that medical insurance is mandatory.

Student Computer Fee

These fees are payable in two instalments during each academic year. The student computer fee supports the University's substantial investment in ICT equipment and student services.

Student Activity Fee

These fees are payable in two instalments during the academic year. The student activity fee is designed to provide financial support to student recreational activities, events, and associations that do not satisfy an academic requirement. The funds are assessed and collected by the University and allocated to Tumaini University Makumira Student Organization (TUMASO) for administration. The student activity budget and the actual fee disbursements and allocations are instituted by TUMASO in consultation with University Management.

Academic Documents Certification Fee

Certification of each copy of transcript or certificate will be done by DVCAA's office after presentation of receipt for payment of **TSh.10,000.00**

Grade Report Fee

Students wishing to have a grade report/partial/provisional results for sponsors or other reasons will pay **TSh.10,000.00** and present the receipt to his/her faculty dean for issuance of the report/transcript. These reports should be marked provisional results statements.

Caution Deposit

A caution deposit is required from each student at the beginning of the academic year. If the deposit is depleted during the year, the student must restore the balance. Any unused amount at the end of the academic year is carried over to the next academic year. Any unpaid fees or other

charges can be assessed against the deposit balance.

The account must be fully restored at the beginning of each academic year. Caution will be refunded to the payer. Student personal costs (e.g. medical or travel) cannot be assessed against the caution deposit.

Refund for Fees

Claims for fees refund will be made at the end of course and levied 10% of the amount claimed.

Late Submission of Bank Deposit Slips

Bank deposit slips for fees submitted 7 days after the day of the bank stamp holidays and weekends excluded will attract a penalty of Tshs. 30,000/= per slip.

Application Fee

Proof of payment of the **Tsh. 30,000.00**, application fee must accompany the application form in order for the student application to be considered by the University. Application fees cannot be applied against tuition fees for applicants that are accepted.

Graduation Fee

The graduation fee covers the rental of graduation gowns, printing costs for degree certificates, and other direct graduation costs. This fee will be assessed at the beginning of the last academic semester before graduation.

Personal and Study Expenses: A Note to Sponsors

SPONSORS PLEASE NOTE: Students must bear the cost of their personal and study expenses: meals, accommodations, books, stationery, supplies, personal care items, other miscellaneous expenses, travel, and study expenses which are part of their degree programme (special equipment, off-campus studies, internships, research papers, etc).

N.B. These expenses are not covered by the fees, deposits, or other charges collected by the University.

8.11 Mode of Payment

Amounts for fees, deposits, and other charges in this section are stated in Tanzanian Shillings (TSh.), unless otherwise indicated. However, a student may decide to pay in US Dollars (US\$) by requesting the Finance Department to prepare a special invoice in US\$ for the named student. The amounts due as converted to US\$ are only effective for a limited time, as stated in the particular invoice.

8.12 Financial Regulations for Postgraduate Programmes

The financial regulations stated above for the undergraduate degree Programmes apply to postgraduate programmes as well. The University Council may change the fees at any time without notice.

Candidates are expected to arrange for payment of the full cost of tuition, boarding, room or family house (if applicable), books, living expenses and study and research allowances. The costs for travel to and from the university are not included in the fee structure. The admission fee is payable at the time of the submission of the application for admission. The ELCT and other churches are responsible for providing scholarships for their candidates who do not pay their own fees.

While the university costs (tuition, university fees and deposits, and – if the student lives on campus – housing), are fixed and not negotiable, costs for other living and research expenses may vary individually.

Costs for binding desertations and thesis will be depend on the research policies of each programme.

For further details on costs carefully study the fees structure attached to the joining instructions.

10.0 FACULTY OF EDUCATION, HUMANITIES AND SCIENCE PROGRAMMES

10.1 About the Faculty

The Faculty of Education, Humanities, and Science guided by the vision, mission, strategies, and values of Tumaini University Makumira, offers inter/trans-disciplinary programmes at the levels of basic certificate, technician certificate, diploma, undergraduate, and postgraduate degrees. The Faculty has three Departments, namely, the Department of Education, the Department of Humanities and Social Studies, together with the Department of Science and Technology. Also, there are seven Units each of which accommodates an area of specialization, and these are: Teaching and Learning, Educational Foundations, Social Studies, Business Administration, Music, Mathematics, as well as Information and Communication Technology.

The Faculty, through its programmes, provides high quality academic and professional knowledge, skills, and competences in areas of education, humanities, social sciences, science, and information technology. In all courses offered, there is a particular emphasis on research, professionalism, and career-oriented teaching and learning.

The Faculty also dedicates its programmes to serving local communities through producing specialists in various areas of study, who, in turn, act as agents of social development upon completion of their studies. Thus, students are given opportunities to enhance their skills and competences through engagement in teaching practice, industrial internship, research, and outreach activities. These programmes are developed based on identified national and global needs in the competitive job market. The following are details of various Faculty programmes.

1.18 Bachelor of Science with Education (Bs.Edu) – in Progress

1.18.1 Entry Requirements

Two principal passes in **ACSEE** with minimum of **4 points** from the

following subjects: **Physics, Chemistry, Biology, Mathematics and Geography**

OR

Diploma in education related fields with average grade **B** or **GPA 3.0**. The **two** teaching subjects **must** come from **Physics, Chemistry, Biology, Mathematics and Geography**.

Nature of Practical Training or field work attached to the programme: Practical assignments in Physics, Chemistry, Biology, Geography, and Computer laboratories on campus. In addition the department of education demands students to attend teaching practice field work in teacher training colleges, pre-primary, primary, and secondary schools in Tanzania

11.0 FACULTY OF LAW PROGRAMMES

11.1 About the Faculty

The Faculty of Law of Tumaini University Makumira offers Law education at the levels of Certificate, Diploma, Degree and postgraduate programmes. The faculty is known worldwide for its local and global legal dimensions. It has and is still training students from Eastern Africa, Central Africa, and Southern Africa.

African nations are developing fast in many sectors one of them being that of law. As the societal structures grow all the time more and more sophisticated and complicated legal systems have to follow the situation. Both globalization of economy and administration speed up the process. As a result, the demand for competent lawyers is increasing rapidly as legal expertise is no longer needed only in courts and police forces, (where the demand is growing as well), but also in NGOs, governmental agencies, international agencies, private companies etc. Tumaini University Makumira, faculty of law, brings solutions to the lack of qualified lawyers in general and the need of addressing the popular demand in Makumira proximity.

Faculty of Law of Tumaini University Makumira trains personnel for traditional practice, non-governmental service, international diplomacy and academia. In terms of academia, special emphasis is paid to the preparation of strong students for postgraduate studies and research.

The Faculty has three departments namely:

- (a) International Legal Studies, Commercial Corporate and Finance Law.
- (b) Constitutional Law, Administrative Law and Civil Law.
- (c) Legal Methods, Research & Theory and Criminal Law.

A candidate applying for the Postgraduate Diploma must:

- Hold a postgraduate certificate with a minimum GPA **2.0** or a C Grade **OR** hold a bachelor degree with a minimum GPA of **2.0**.

Course Delivery and Assessment

The University will abide to the demands of learning outcome of the programme as stipulated specific curricula. The assessment of activities of courses will be categorized as follows:

- Continuous assessment will count for 40% of the over-all grade.
- A semester examination counts for the remaining 60%.
- A student must have a total minimum pass of 50% from both course work and end of university examinations, i.e. 20% course work, and 30% university examinations.

The Independent Study

The independent study must be approved by the relevant Faculty Board and must be relevant to the field of Diploma Programme.

Students will work on the study beginning from the second half of the first semester and complete it in the second semester. The supervisors should be available to meet the students they are assigned to supervise as often as it is useful for the progress of the independent study. It is the responsibility of the students to arrange for meetings with the

supervisor.

The length of the independent study should be not more than 15-20 pages excluding preliminary pages and appendices, but including reference list. The study must be preceded by an abstract of not more than one page. The abstract shall be a brief summary of the problem, the methodology followed in the independent study and the main findings.

Graduation Requirements

- 1) The Postgraduate Diploma Programme students must pass all the courses with a grade average of at least 50% in order to continue to the next stage of the programme and graduation.
- 2) A student is allowed to submit his/her research project he/she after successfully completed all the courses with a mean overall grade "B" or above.
- 3) If a student in one semester fails in not more than two courses and with not less than 40 percent but has an average of 50percent or more, he/she shall be required to do supplementary examinations. All passed supplementary courses will be awarded a "B" grade.
- 4) In case a student fails supplementary examinations, he/she will be required to repeat course(s) when next offered and pass before he/she proceeds to the next stage of the programme.
- 5) Before commencing research project for the independent study a student must submit a project proposal to a respective Faculty for approval.
- 6) A candidate must complete 129 credit hours in order to graduate for Postgraduate Diploma.

12.7 Master Programmes

Each Master Programme shall have minimum credits of 240 from courses work and research. Two semesters for course work accumulates a minimum of 120 credits each. The other two semesters are devoted to research and other related activities to research, and will accumulate 120 credits. A student will graduate upon completion of course work and research requirements.

General Entry Qualifications

A candidate applying for the Postgraduate Diploma must:

- Hold a Bachelor Degree with a minimum GPA **2.7**
OR

Supplementary Examinations

- A student in one semester failing two courses with not less than 40% - 49% shall be required to do supplementary examinations.
- Where a candidate fails in 3 or all courses he or she shall be discontinued from the programme.
- In case he/she fails the supplementary examinations he/she will be required to repeat the courses when next offered and pass before he/she proceeds to the next stage of the programme.
- A failure in a repeated course will lead to discontinuation from the programme.

Master Programmes Delivery and Assessment

Each course consists of 100% in order to obtain the required credits from learning outcomes itemized in each curriculum. A student must pass both course work and final examinations with a minimum of 50% i.e. 20% course work and 30% University examinations.

- Continuous assessment will count for 40% of the overall grade.
- A semester university examination counts 60%.

12.8 Master Dissertation Requirements and Assessment

Preparation of the Research Proposal

1. Prior to the preparation of a research proposal the student individually chooses a research topic. The draft of the research topic is submitted to the Director of Postgraduate Studies.
2. The Director of Postgraduate Studies convenes Postgraduate Research Committee meetings for respective disciplines to evaluate research topics for approval.
3. The research proposal has to conform to TUMA Research Manual requirements.

Allocation of Supervisors

1. A Master candidate (Level 9) has to be supervised by a PhD (Level 10) supervisor in the field or related fields of study.
2. The Postgraduate Research Committee will allocate two supervisors in related discipline, a principle supervisor (Senior) and an assistant supervisor, for one candidate.

Supervision

1. The students will continue to craft their research proposals under the guidance of their supervisors within a specified time.
2. The supervisors have the responsibility of understanding the study needs of his/her student and should work together with the student to address them.
3. There should be constant consultation between the student and the supervisors to discuss the progress of the research.
4. Outside help should be reported to the supervisors to avoid conflicting directions. However, feedback from peers and faculty

members is encouraged.

5. The supervisors have the responsibility of ensuring that the final dissertation is of acceptable standards.

The Presentation of the Research Proposal

1. The Proposal Presentation Panel will be composed of the following members:
 - (a) Senior Lecturer or Associate Professor or Professor (Chairperson).
 - (b) SecondReader, who shall be the secretary of the panel.
 - (c) Director of Postgraduate Studies.
 - (d) Dean of the Faculty.
 - (e) Head of the Department.
 - (f) Two Supervisors.
2. The committee shall:
 - (a) Grade and approve the proposal after presentation by a candidate.
 - (b) Strive to arrive at a common outlook that should enable the candidate to improve the accepted proposal for better research performance.
 - (c) Reject a proposal that is below standard and advise a student to reformulate and resubmit.
3. That the recommendations of the committee for the approved proposal be incorporated and approved by supervisors before a student proceeds with the research.
4. The duration of the proposal defence should not exceed more than one hour per candidate.

Advancement to the Field

1. The student must meet the following requirements before going to the field for data collection:
 - (a) Completion of all course work
 - (b) Certification of the Approval of the proposal by the research committee.
 - (c) Submission of the proposal clearance form signed by the supervisor to the Director of Postgraduate Studies.
2. Permission to conduct research in the institution or with individuals must be obtained from the relevant institution or individual prior to

- conducting the research.
3. Students shall begin to collect data after the proposals and instruments have been approved by the supervisors
 4. A letter of introduction of the student to organizations or individuals must be obtained from the office of the Director/DVCAA prior to advancing to the field.

Writing of the Dissertation

1. Students should follow TUMA Research Manual when writing their dissertations/theses and for other detailed guidelines.
2. Where TUMA Research Manual differs with specific requirements of the discipline, requirements of the discipline may be followed.

Initial Submission of the Dissertation

Three copies of the dissertation, loosely bound with a cover colour specified by a discipline and signed by two supervisors, must be timely submitted to the Director of Postgraduate Studies by the candidate three weeks before oral presentation.

The Oral Presentation ('viva voce') of the Dissertation/Theses

1. Oral presentation of the dissertations/theses will be made after the internal and external examiners have finished marking all the dissertations.
2. The oral presentation committee for the dissertation will be composed of:
 - (a) Chairperson - Dean, Director, or DVCAA (with senior academic rank)
 - (b) Internal Examiner, who shall be the secretary of the panel
 - (c) External Examiner with qualifications Level 10
 - (d) Head of the Department (with senior academic rank)
 - (e) Two Supervisors.
3. Panel members, who are unable to be present during the oral defence, a Zoom presentation may be organized by the Director of Post Graduate Studies.
4. Members of the oral presentation panel will be provided with a copy of dissertation at least two weeks before the date of the oral examination.
5. The purpose of the oral examination is to enable the candidate to

formally present his/her work and for the panel to determine that the candidate fully understands the dissertation's context, research procedures, findings and study implications.

6. The duration for oral presentation shall normally not exceed one and half hours per candidate.
7. The panel should strive to arrive at a unanimous decision to make a definite recommendation to the Senate whether the candidate is deemed to have passed or failed.
8. The decision to consider approval of the defence is a closed session that is limited to the members of the panel.
9. The final decision to award the degree shall be made by the Senate.
10. Any appeal against the decision of the Senate in relation to the dissertation/theses examination result must follow the procedures outlined in the University Examination Policy and Regulations.

Revisions, Corrections and Final Submission

1. After the oral presentation, the candidate should promptly make any necessary modifications as recommended by the panel. The modifications are approved by supervisors.
2. After satisfactorily completing all the corrections recommended by the examiners, the candidate should submit three fully bound copies of dissertations and one soft copy in a PDF file to the office of the Director of Postgraduate Studies. Each copy should be bound in hard cover with colours from respective disciplines.
3. The writing on the cover page should follow this TUMA Research Manual.
4. Two copies with original signatures should be submitted to TUMA library and one copy for the relevant Faculty Resource Centre. The number of personal copies is up to the student.
5. Publication of the student's dissertation/theses is encouraged for knowledge sharing and it should have an acknowledgement statement indicating the work is based on a dissertation submitted to the Tumaini University Makumira.

Graduation Requirements

For a candidate to be awarded a Master degree shall have accumulated a minimum total of **240 credits** in four (4) Semesters.

- The first and second semester shall entail Coursework with minimum credits of 60 in each semester totalling **120** credits.
- The third and fourth semester shall have the following requirements:
 - a) A candidate shall present a research proposal and upon completion of presentation a candidate will accumulate 30 credits
 - b) A candidate shall prepare a draft paper manuscript based on his/her research accepted to be published in a peer reviewed journal, and this paper shall weigh 30 credits.
 - c) A candidate shall submit the final dissertation and upon its evaluation he/she will accumulate 40 credits
 - d) A candidate shall have oral defence 'viva voce,' and upon successful defence he/she shall accumulate 20 credits.
- The total credits for items a), b), c), d) is 120. Therefore, the total credits for graduation for both course work and research are **240**.

TUMA offers doctoral degree programmes by Research/Thesis. Currently, the Faculty of Theology offers PhD in Theology in its different disciplines.

Entry Requirement

To qualify for admission to the Doctoral Degree programme, applicants must possess the following qualifications:

Any Masters degree from any accredited University with a minimum GPA of 3.0 or Bgrade. The Masters degree should be in the field of proposed research, or related fields.

Registration

- 1) Registration of Doctoral students will follow the following procedure:
- 2) The candidate shall submit the application package to the Registrar and the Registrar shall communicate the applications to the Directorate of Postgraduate Studies
- 3) Materials to be submitted by the candidate are:
 - a) Curriculum Vitae (CV).
 - b) Certified certificates and transcripts of the previous academic studies. Foreign certificate awards must be approved by TCU.
 - c) A properly filled in application form.
 - d) Medical and health forms, provided by TUMA and filled in by a qualified physician after a thorough physical examination
 - e) Financial guarantee (from a recognized sponsor)
 - f) A Research Proposal of 10-20 pages including action plan.
- 4) The Director of Postgraduate shall channel the application package Research Committee (with senior ranks) to review and advise the Director of Postgraduate on the eligibility of the candidate for registration into a Doctoral programme.
- 5) The committee shall write a report on the review of the evaluation of the student indicating acceptance or rejection of the proposal and the Chairperson of Research Committee shall submit the report to the Director of Postgraduate Studies.

- 6) The Director shall present the accepted doctoral students to Senate for approval, thereafter present the same to the office of the Registrar completion of Registration.

Programme Structure

The Doctoral programmes are by research. and presentations of parts of research outcome of the research fields in research seminars, symposium and consultations. The contents of the studies are individually tailored by the supervisors according to the needs of the student. The studies may be done at any time point of the programme.

Programme requirements

Candidates will pursue their stipulated studies and undertake research within the specified period of four academic years (**8 semesters**). This programme requires a student to complete all assignments which weigh **720 credits** as indicated in the table below:

Year	Semester	Activities	Credits
1	I	The candidate will present a proposal and tools of research orally, and will be graded by the panel.	90
	II	The candidate will collect and analyze data, and present the analysis to be graded by the supervisors.	90

GRAND TOTAL			720

Extensions

Candidates should present their Theses within the deadlines indicated in the programme unless granted an extension by the TUMA.

Progress Report

The Director shall consequently present the progress report of candidates to the University Academic Meetings and to the Senate for approval.

Supervision

- 1) The PhD candidate shall work under the guidance of two supervisors in related discipline with a rank of Lecturer and experience of supervising Research for more than three years, a Senior Lecturer, an Associate Professor or Full Professor approved by Senate. A senior in academic rank of the two shall be the Principle Supervisor.
- 2) All outside supervisors shall submit current CVs for approval by the Senate.
- 3) The supervisors have the responsibility of guiding and monitoring the student's progress throughout the study period.
- 4) The student shall produce a progress report after every semester. The report must be endorsed by the supervisors and approved by the Senate.
- 5) Although the writing of the thesis is entirely the responsibility of the student, the supervisors have the responsibility of ensuring that the final Thesis is of acceptable standards.

Oral Defence (viva voce) of the Thesis

- 1) There will be a panel of a minimum of five (5) members to assess the Doctoral Thesis as follows:
 - a) Chairperson - Dean/Director/DVCAA with the position of Associate Professor or Professor.
 - b) Two Supervisors
 - c) Internal Examiner, who shall be the Secretary to the Panel.
 - d) External Examiner approved by the Senate
 - e) Head of the Department (with senior academic rank)
- 2) The assessment panel shall submit a recommendation as to whether the candidate, through the publicly orally presented thesis/dissertation, has fulfilled the requirements of the TUMA Doctoral programme. The assessment panel may allow that changes or supplements added to the thesis prior to the oral presentation. This work of prior assessment can be done by the panel via e-mail, telephone or Zoom Meeting, and other communication that abide by ethics of research.
- 3) Postgraduate Director decides the venue of the public defence and the student makes five hard copies of Thesis publicly available in the TUMA library at least a month before the defence. One soft copy in a PDF file of the thesis should be available to the panel members.
- 4) The members of the assessment panel have to be present at the oral presentation or attend through Zoom. The candidate is given the opportunity to explain the work (orally) and shall subsequently undergo an examination by the assessment panel. The person chairing the defence may permit other persons present to make a contribution during the defence.
- 5) The assessment panel shall submit its recommendation as to whether the PhD degree should be awarded immediately after the public oral presentation. In case the panel does not agree on a positive recommendation, the preliminary recommendation of the panel shall be sent to the candidate, who shall be given a period of up to two weeks to comment on the recommendation, after which the final recommendation shall be made.

- 6) For a student to sit for oral defence (viva voce), he/she must present to the Administration a Clearance Form regarding other administrative matters.

The Award of PhD

The PhD degree shall be awarded if a positive recommendation has been given by a majority of the assessment panel members on the final Thesis evaluation. The recommendation contains also a mark given to the thesis. The recommendation has to be made within a month from the public oral presentation. Complaints of the candidate concerning the assessment of the thesis are to be directed to the Director of Postgraduate and communicated to the Deputy Vice Chancellor for Academic Affairs, who shall forward the matter to the Vice Chancellor for implementation of the appeal procedures. The outcome of the appeal must be approved by the TUMA Senate.

Graduation Requirements

For a candidate to be awarded a Doctor of Philosophy degree (PhD) shall have accumulated a total of 720 credits in eight (8) semesters and also fulfilled other requirements as required by the programme.
